

Village of Fox Point Comprehensive Plan Public Workshop

January 16, 2020 6:00 PM
7200 N Santa Monica Blvd.
Fox Point, WI 53217

What is the Comprehensive Plan? How is it used?

A Comprehensive Plan is a blueprint for how the community will develop and grow over the next 20 years or so. It provides the community with information and policies that it can use to guide future planning and community decisions. State law (Wis. Stats. § 66.1001) requires certain community decisions to be consistent with the Plan:

- Official Mapping Ordinances
- Local Subdivision Ordinances
- Zoning Ordinances

Comprehensive Plans must address nine "elements":

- Issues and Opportunities
- Housing
- Transportation
- Utilities and Community Facilities
- Agriculture/Natural/Cultural Resources
- Economic Development
- Intergovernmental Cooperation
- Land Use
- Implementation

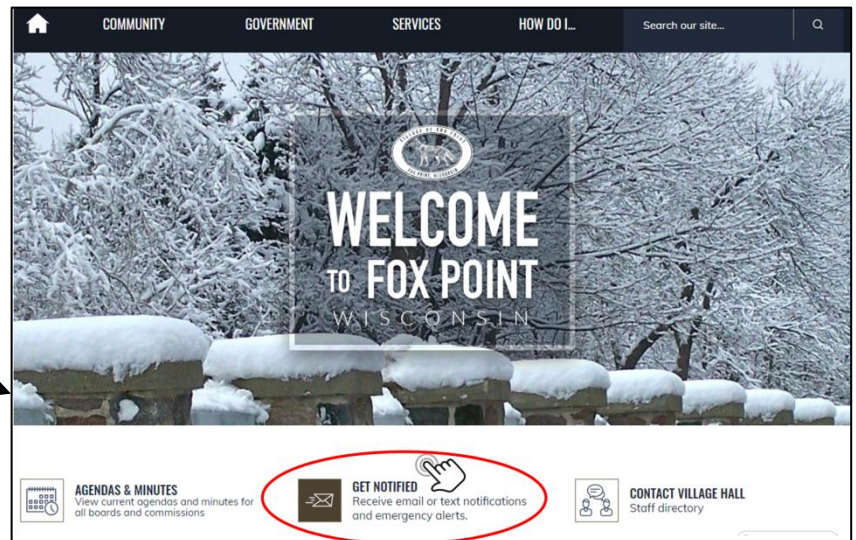

Purpose and scope of the 2019 Comprehensive Plan Update:

- Update the Village's 2010 Plan to meet statutory requirements (updates required every 10 years), and provide opportunities for public involvement to vet goals and policy recommendations.
- Gives the Village an opportunity to make sure the Plan reflects the latest community data and development trends, as well as current community priorities and other planning efforts that have occurred since 2010.
- Make the Plan a more concise and readable document for the Village and its constituents.

Village of Fox Point Comprehensive Plan Public Workshop

Questions for consideration:

- Village character, culture, and community
 - Which aspects of Village character should Fox Point emphasize the most?
 - What are some cultural amenities that should be considered for the Village?
 - What are some ways to bring people together?
 - Where are areas in the Village that could foster greater cultural and community involvement?
- Environmental stewardship
 - What Village environmental protection efforts do you appreciate the most?
 - Are there any new environment threats evident in the Village?

What are some other issues and opportunities for the Village to focus on in the coming years?
