## NORTH SHORE HEALTH DEPARTMENT

### **Fall Prevention Tip of the Month from Milwaukee County Fall Prevention Coalition: Outdoor Fun Without Falls**

Summer is a great time to be outside and active in Wisconsin as time spent outdoors can have significant health benefits. However, it is important to consider safety precautions related to time spent outdoors, as nearly 50% of falls among older adults occur outside.

#### **Practical Tips**

- Be aware of your surroundings, particularly any changes in surface or elevation. Try to take a more level path when able.
- Make sure to use good footwear! Shoes with a slip-resistant sole, full back, and low heel are ideal for walking outside.
- Make sure to have sunglasses to maintain vision in sunny conditions and ensure adequate lighting in the early morning and evenings. Take some time to let your eyes adjust to changing light situations upon entering or exiting a room or building before you begin to walk.
- Make sure to have plenty of water on-hand and take rest breaks as needed to manage fatigue.

**FALL PREVENTION CLASS:** NSHD is facilitating a Stepping On Fall Prevention Class from August 26 to October 7 at The Shul in Bayside. It is a 7-week course (2-hour session each week) and is open to those 60+ who live independently. Please call NSHD at 414-371-2980 to register.

***What has the NSHD been working on?***

One of our Public Health Nurses attended Lead Assessor training through the Wisconsin Department of Health Services this week in Green Bay. This training focuses on the practices and techniques that are critical for assessing the risk of lead exposure.

Our nurse supervisor, Kathleen Platt, has been named interim health officer. She has previously served as interim health officer and will lead our department as we continue the recruitment process for a new health officer.

NSHD held a COVID-19 vaccination clinic last week at another local company for its staff. Bringing clinics to the workplace makes vaccine more accessible. Please contact the NSHD if you are interested in having a vaccination clinic at your business.

In the coming weeks the NSHD will be attending local North Shore Farmers Markets. Please feel free to stop by and have a conversation with our representatives.
