MILWAUKEE COUNTY

WISCONSIN

VILLAGE HALL

7200 N. SANTA MONICA BLVD.

FOX POINT WI 53217-3505

414-351-8900

FAX 414-351-8909

To: The Honorable Members of the Fox Point Village Board
From: Scott A. Botcher, Village Manager
Date: June 3, 2022
Re: Administrative Report for the Week Ending June 3, 2022

ADMINISTRATION

1. Staff facilitated the Special Pilot Community Enhancement Grant Committee meeting on June 1, 2022.
2. Staff continues to work with the new LandNav tax software to fix issues and implement suggestions made by Village of Fox Point staff.
3. Plan Commission agenda and packet were prepared for the meeting on June 6, 2022 at 5:45 p.m.
4. 2022 Fox Point Statement of Assessment (SOA) was filed by Associated Appraisal Consultants and confirmed by WDOR on June 1, 2022.
5. In-person training for pool staff began on June 3, 2022 and will continue into next week.

DEPARTMENT OF PUBLIC WORKS

1. The Village took delivery of the second of the two leaf vacs as well as the chipper this week. We are also supposed to take delivery of the new packer within the next month and the truck we ordered Winter 2021 should arrive this summer. We are excited that, given the supply chain issues, we have been able to obtain necessary pieces of equipment.
2. Staff began evaluating the 5–10-year road reconstruction schedule in light of last year's PASER ratings as well as the shifting of Bradley Road from 2022 to 2023. The proposed new schedule will be presented to the board as part of the capital improvement program presentation at a subsequent Village Board meeting. Staff also began updating the cost estimates for future projects based on the bid prices received this year.
3. The DNR applications for the shoreline revetment work were submitted to the DNR this week.
4. Staff prepared and submitted two applications to the DOT under the Bipartisan Infrastructure Law funding program. One application is to assist with the storm and road construction costs for Bradley and the other is for Santa Monica Boulevard (as any application has to be submitted for roads that are functionally classified as a Collector or higher).
5. Staff participated in a pre-bid walkthrough for the storm sewer work proposed for Bywater, Portage, Links and Boyd. The Bid Opening is scheduled for June 7.

6. Water utility staff responded to a couple of properties who had broken water laterals and shut off the water until repairs could be made.
7. Water utility and DPW staff were busy with the following:
 - a. Hauling fill/spoils from the DPW yard.
 - b. Replaced the storm sewer culvert at Regent and MacArthur.
 - c. Getting the pool up and ready for the opening next week.
 - d. Yard waste collection amongst other normal activities (mowing, garbage, etc.).
8. Staff completed the annual Compliance Maintenance Annual Report (CMAR) related to the 2021 sanitary sewer activities. The report will be presented to the Village Board at the June meeting.
9. Staff received two quotes (four contractors were asked to submit a quote) for the water main and roadway patches to be completed. This will be presented at the June Village Board meeting.

POLICE DEPARTMENT

1. North Shore Comprehensive Emergency Management Planning (CEMP) Meeting was held this week and scheduled an August date for a tabletop exercise to test the CEMP.
2. Officers responded to a report of disorderly conduct at a school after a student made a threat of violence against another student. The officer worked with the school administration to identify the threat actor and develop a response plan to protect the student body.
3. Officers responded to a report of disorderly conduct when a resident heard loud shouting and arguing in front of their home. The officer found several people arguing adjacent to a parked vehicle. The officer conducted a field investigation and resolved the matter without an arrest. One subject was in violation of the probation requirements and was referred to the department of corrections for further action.
4. Officers responded to a report of ongoing fireworks violations and based on evidence obtained during their field investigation, a citation was issued to a neighbor for the violations.
5. Officers responded to a report of a burglary after the resident observed damage to a shed consistent with forced entry. The officers conducted an investigation and determined that no theft had occurred and a known person entered the shed. No crime occurred.
6. Chief Freedy attended refresher training provided by the FBI on domestic terrorism incidents, crime intelligence, and use of force investigations.
7. Officers responded to a report of a suspicious person attempting to gain access to a school. The subject was confronted by school staff and officers investigated the incident.
8. Officers responded to assist Bayside police with a disorderly subject who had been banned from a business and was on premises acting out.

NORTH SHORE FIRE DEPARTMENT

Several staff members and leadership from the Bayside Communications Center participated in four Emergency Medical Dispatch Stakeholder Kick-Off Meetings this week. Training and orientation on the new emergency medical dispatch protocols will continue over the next several weeks.

North Shore Comprehensive Emergency Management Planning (CEMP) Meeting was held this week and scheduled an August date for a tabletop exercise to test the CEMP.

NORTH SHORE HEALTH DEPARTMENT

Public Health Nurse Supervisor and interim Health Officer Kathleen Platt, RN, BSN, retired this week after 10 years of service at the North Shore Health Department. The North Shore Health Department was more than fortunate to have benefited from the passion and leadership of Kathy. She has had a significant impact on the lives of many North Shore residents, community leaders, and staff at our department through her leadership and devoted public health service.

Thank you for your dedication and service Kathy. Enjoy retirement!

LGBTQ+ Mental Health Facts

LGBTQ+ people continue to show disparities in mental health, even though they are more likely to use mental health services.

People who identify as LGBTQ+ are:

- Twice as likely as non-LGBTQ+ people to have a mental health condition.
- In 2021, among LGBTQ+ individuals who took an MHA depression screening, 56% report having suicidal thoughts more than half or nearly every day of the previous two weeks (7% increase from 2019 MHA rate).

Trevor Project reports among LGBTQ+ youth:

- 73% report symptoms of anxiety.

- 58% report symptoms of depression.
- 45% report having seriously considered attempting suicide in the past year.

40% of transgender adults have attempted suicide during their lifetime, compared to less than 5% of general U.S. population (U.S. Transgendered Survey).

Immunizations (Appointment Required):

We provide vaccinations for individuals who are underinsured or uninsured, including infant and child routine immunizations and those required for school.

Please call 414-371-2980 to find out what vaccines we have available and to make an appointment:
